

Solar Heat Exchange Manufacturing

Solar Tanks Residential Warranty

THIS WARRANTY IS APPLICABLE TO THE ORIGINAL OWNER ONLY. In accordance with the warranty terms and conditions specified below.

Solar Heat Exchange Manufacturing (the warrantor) will furnish the ORIGINAL OWNER< 1) a replacement SHEM Solar Tank of equivalent size and current model if the porcelain enamel lined tank leaks and, 2) a replacement part for any component part which fails.

THE SHEM SOLAR TANK REPLACEMENT MODEL OR PART WILL BE WARRANTED FOR ONLY THE UNEXPIRED PORTION OF THE ORIGINAL WARRANTY. The warranty period will be determined by the original date of purchase of the tank, or in the absence of a Bill of Sale verifying said date from the date of manufacture indicated by the serial number. This warranty is not transferable and applies to models listed below:

SERIES	TANK	PARTS
DB	6 Year	2 Year
N	6 Year	2 Year
S	6 Year	2 Year
D	6 Year	2 Year

When the solar tank has been used for other than single family residential application; The tank warranty shall be reduced to 1 year for 6 year models.

CONDITIONS AND EXCEPTIONS

This warranty shall apply only when the tank is installed and operated in accordance with 1) all local fire codes and plumbing codes, ordinances and regulations, 2) the printed instructions provided with it, 3) good industry practices, and 4) proper safety practices such as but not limited to a properly sized drain an if installed in an area where leakage from the tank or its connections would result in damage to the area adjacent to the tank. In addition, a new temperature and pressure relief valve, that meets the requirements for Relief Valves to Hot Water Supply Systems, ANSI Z21.22/CSA 4.4, must have been properly installed and piped to the nearest drain.

This warranty shall apply only when the heater is:

- owned by the original purchaser;
- installed for indoor operation only
- used at temperatures not exceeding the maximum calibrated setting of its thermostat;
- used at water pressure not exceeding the working pressure shown on the tank;

- filled with potable water, free to circulate at all times and with the tank free of damaging water sediment or scale deposits;
- used in a non-corrosive and non-contaminated atmosphere
- used with factory approved anode(s) installed;
- in its original installation location;
- in the United States, its territories or possessions;
- sized in accordance with proper sizing techniques for residential water heaters;
- bearing a rating plate which has not been altered, defaced or removed except as required by the warrantor;
- used in an open system or in a closed system with a properly sized and installed thermal expansion tank;
- connected to the proper voltage or;
- operated at the factory input;
- installed with no attempted, nor actual modification or alteration of the tank's design in any way, including but not limited to, the attachment of non-company approved appliances or equipment.

Any accident to the water heater or any part thereof (including freezing, fire, floods, or lightning), any misuse, abuse or alteration of it, any operation of it in a modified form, any operation of the water heater on desalinated (deionized) water, or any damage caused by attempts to repair tank leaks or parts, will void this warranty. This warranty does not cover solar tanks replaced for cosmetic reasons or for reasons of noise, taste, odor, discolored and/or rusty water. This warranty does not apply to tanks used to heat pools, whirlpools or hot tubs or used for space heating where its sizing does not conform with specifications of the heating component manufacturer.

This warranty gives you specific legal rights, and you may have other rights which vary under the laws of each state. If any provision of this warranty is prohibited or invalid under applicable state law, that provision shall be ineffective to the extent of the prohibition or invalidating without invalidating the remainder of the affected provision or the other provisions of this warranty.

SERVICE AND LABOR RESPONSIBILITY

UNDER THIS LIMITED WARRANTY, THE WARRANTOR WILL PROVIDE ONLY A REPLACEMENT SOLAR TANK OR PART THEREOF. THE OWNER IS RESPONSIBLE FOR ALL OTHER COSTS. Such costs may include but are not limited to:

a. Labor charges for service, removal, or reinstallation of the tank or part thereof.

b. Shipping and delivery charges for forwarding the new solar tank or replacement part from the nearest distributor and returning the claimed defective heater or part to such distributor.

c. All cost necessary or incidental for handling and administrative charges, and for any material and/or permits required for installation of the replacement tank or part.

LIMITATION ON IMPLIED WARRANTIES

Implied warranties, including any warranty of merchantability imposed on the sale of this tank under state law are limited to one year duration for the tank or any of its parts. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

CLAIM PROCEDURE

Any claim under this warranty should be initiated with the dealer who sold the tank, or with any other dealer handling the warrantor's products. If this is not practical, the owner should contact: Solar Heat Exchange Manufacturing, 204 LeCompton Rd, Perry, KS 66073. Phone: 1-888-786-4426 or visit our website: www.solarheatexchangemanufacturing.com

Replacement Parts may be ordered through authorized servicers or distributors or contact us.

The warrantor will only honor replacement with identical or similar solar tank or parts thereof which are manufactured or distributed by the warrantor. Dealer replacements are made subject to in-warranty validation by warrantor.

PROOF OF PURCHASE AND PROOF OF INSTALLATION DATE ARE REQUIRED TO SUPPORT WARRANTY CLAIM FROM ORIGINAL OWNER. THIS FORM DOES NOT CONSTITUTE PROOF OF PURCHASE OR PROOF OF INSTALLATION.

DISCLAIMERS

NO EXPRESSED WARRANTY HAS BEEN OR WILL BE MADE IN BEHALF OF THE WARRANTOR WITH RESPECT TO THE MERCHANTABILITY OF THE TANK OR THE INSTALLATION, OPERATION, REPAIR, OR REPLACEMENT OF THE TANK OR PARTS. THE WARRANTOR SHALL NOT BE RESPONSIBLE FOR WATER DAMAGE, LOSS OF USE OF THE UNIT, INCONVENIENCE, LOSS OR DAMAGE TO PERSONAL PROPERTY, OR OTHER CONSEQUENTIAL DAMAGE. THE WARRANTOR SHALL NOT BE LIABLE BY VIRTUE OF THIS WARRANTY OR OTHERWISE FOR DAMAGE TO ANY PERSONS OR PROPERTY, WHETHER DIRECT OR INDIRECT, AND WHETHER ARISING IN CONTRACT OR IN TORT.

Should governmental regulations or industry standards prohibit the Manufacturer from furnishing a comparable model replacement under this warranty, the Owner will be furnished with the closest comparable solar tank meeting the then current governmental regulation and industry standards. A supplementary fee may be assessed to cover the additional cost associated with the changes made to meet applicable regulations and standards.
