

# SIMPLE DRAINBACK SYSTEM™

## Tank Description

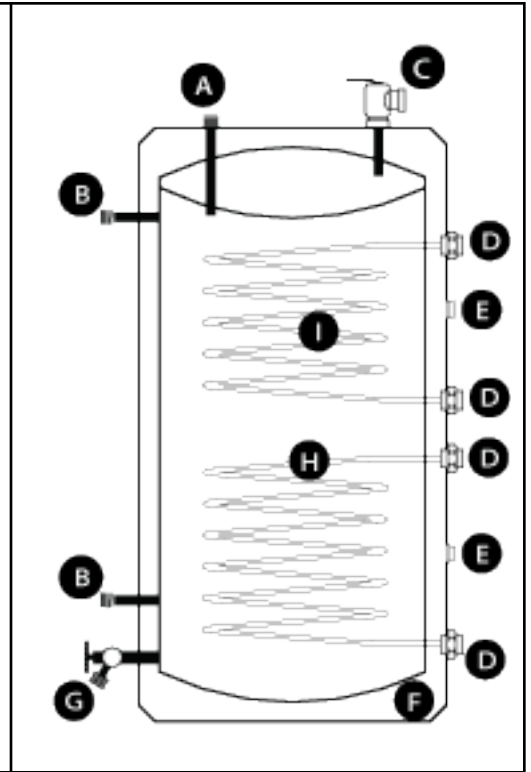

No Coil Tank

Single Coil Tank

Double Coil Tank

### Component Description

**A** MG Anode

**B** 3/4" NPT Tank Port

**C** PT Valve

**D** 3/4" Threaded Heat Exchanger Port

**E** Tank Temperature Sensor Port

**F** Polyurethane Insulation - 2"

**G** Drain

**H** Heat Exchanger

**I** 2nd Heat Exchanger

**Solar Heat Exchange Manufacturing**  
*standard & custom engineered solar hot water systems*

Over 30 years of solar  
hot water heating experience.
